Payment of Registration Fees

There are a number of different methods available to allow you to pay your registration fee.

The preferred method is to pay by credit card when you submit your online registration. After you have submitted your registration you will see a confirmation message on the screen. Contained in this message is a link to a credit card payment form.

If you do not make your payment when you submit the registration form then you can use one of the following methods...

1) Credit Card payment through the meeting registration system

You can log-in to your account at any time - <https://eventbooking.stfc.ac.uk/> - and make a payment online. Once you have logged in, navigate to "My Account" where you will see a list of the events you have registered for. If you have fees to pay you will see a link called "PAY NOW FOR THIS EVENT". Follow the link to make your payment.

2) Payment by cheque

We accept cheques – in POUND STERLING only – which should be made payable to "STFC" and sent to Sue Waller, STFC Daresbury Laboratory, Warrington, WA4 4AD.

3) Payment by bank transfer

If you prefer to make a direct transfer to our bank account then you should use the following details:
